It's grants training that we have to go through every year to be Federal Program Officer so yes, very painful (and redundant)

Thanks. What is the training? Hope your training is not too painful.

Hi All,

Attached is a very draft PowerPoint presentation for Christine's presentation for your review. I included a few questions on the notes section of the slides using bold, italic font (such as whether to include certain slides).

I am willing to take comments through COB on Monday and revise on Tuesday
Who would like to take over the lead after May 5?

Let's shoot for completing a draft for the May 7th OR CZARA Manager's meeting.

Cheers,
